BUILDING YOUR BUSINESS ONLINE

Package 2 - Small Business Online

Here is a way you can have a website AND be in control.

Creating websites can be a challenge. The most prized achievement is to create a site that is user-friendly, visible to Google, Bing & Yahoo!, looks professional and contemporary, and is easy to maintain. When you buy our Small Business Online package, you are on your way to staking your claim on the world wide web. The key to the simplicity of this solution is that you get the keys to powerful online content management, fully customised to your needs so that you can update or change your website when you want to. The training provided ensures you can make changes with confidence. **Included in this package:**

1 Custom Website Design
We design beautiful website layouts that suit your new or pre-existing branding.

2 Content Management System
Update your own content easily, anytime, anywhere using powerful online editing tools.

3 Site Blog
Keep your clients up to date with company news.

4 Google Maps & Analytics
A map of your location so clients can easily find you. Google analytics for comprehensive site traffic statistics.

5 Image Slideshow
Impress your clients with a classy image slideshow on your home page.

6 Twitter & Facebook
Feature a Twitter feed or Facebook friends list on your website so visitors can network with you.

7 News Feeds & RSS
Keep visitors on your site by using News and RSS feeds on every page.

8 W3C Standards
We make sure your site works in all the major browsers: Internet Explorer, Firefox, Chrome and Safari.

9 Basic SEO
Get your website listed in the result pages of Google, Bing and Yahoo!

10 Hosting
Business class hosting based locally in Adelaide. Terms and conditions apply.

$4,000.00 EXCL. GST
